2.0 hours before Wedding

Photos start promptly 2 hours before Wedding.

- Please have a designated person to have all the people in the above list ready for photos.

0.5 hours before Wedding

No posed photos taken during this time.

Allow 1.5 hours for Catholic Wedding and 30 - 40 minutes for most others.

When Wedding is over

Bride & Groom, Wedding Party, Parents go to separate room or go around the Church and come in to have photos taken.

Photos start immediately after Church vacates.
This should take about 5-10 minutes.

- If receiving line is done allow additional 30-45 minutes for Church to vacate.

Photos should take about 30-45 minutes

- Photos will take much longer if all of these people are not back in the Church ready for photos immediately after the wedding:
